

READY REFERENCE FOR LUBRICANTS AND FUELS

Table of Contents	Page
Common Terms	4
Abbreviations of Organization Names	22
Viscosity	24
Base Stocks	30
Lubricant Additives	35
Engine Oil Classification and Requirements	40
Physical Requirements for Engine Oils	43
API Base Oil Interchange Guidelines	46
Engine Oil Classification System for Automotive Gasoline	
Engine Service "S" – Service Oils	60
Current/Active U.S. Passenger Car Engine Oil Specifications	64
Engine Oil Classification System for Commercial Diesel	
Engine Service "C" – Commercial Oils	70
Current/Active U.S. Diesel Engine Oil Specifications	74
ACEA 2004 After-Treatment Engine Oil Sequences	81
ACEA 2004 Light-Duty Engine Oil Sequences	82
ACEA 2004 Heavy-Duty Diesel Engine Oil Sequences	84
Japanese Engine Oil Specifications	86
Major Engine Tests	87
Gasoline and Diesel Fuel Specifications	94
Small Engine Oils	115
Railroad Diesel Engine Oils	120
Marine Diesel Engine Oils	121
Stationary Gas Engine Oils	123
Automatic Transmission Fluids	126
Automotive Gear Lubricants	140
Tractor Fluids	149
Industrial Products	156
Antiwear Hydraulic Fluids	157
Industrial Gear Oils	163
R&O Turbine Oils	167
Metalworking Fluids	173
Grease	183
Calculations	187
Conversions	189
